A SPECIAL CUT MADE AT THE BIG CURIO STORE

It Applies to All Lines but With
Greater Force to Three.

Every day brings just that much
nearer the departure of R. L. Balke of
the Big Curio store on his annual pur-
chasing trip which will include the
principal points in Mexico and the
Navajo and other northern Indian res-
ervations.

In consequence there is a special big
cut in all lines at the Big Curio store,
even below the reduced prices which
have prevailed since the holidays.

There will be an extraordinary cut
in Mexican drawn work, Mexican pot-
tery and Mexican filigree work. It is
the wish of the proprietor that these
lines be closed out entirely before he
leaves in order that his stock in that
department at the beginning of next
season will be entirely new.

Therefore while the sale on these
articles lasts, and it will last until he
leaves, the cost figures will be entire-
ly forgotten. A price has been put on
everything in these three lines to make
the goods move.

Mr. Balke not only wants to make
room for an entirely new stock but he
wants the money now tied up in the
present stock. This is the opportunity
of the intending purchaser.

use. Sold by all dealers.

W. K. BOWEN OF MESA THE NEW SUPERVISOR

His Election Accomplished Yesterday
Without Division.

The vacancy on the board of super-
visors was filled at a meeting of the
electors consisting of the remaining
members of the board and Probate
Judge Phillips yesterday afternoon.

When the last attempt to fill the
vacancy was made an adjournment
was taken until last Monday. Pre-
vious to that time, Chairman Hoghe
of the board was called away and did
not return until yesterday morning.

There were two candidates for the
appointment, W. K. Bowen of Mesa
and W. A. Moer of Tempe. The
contest really became one between the
committees of Mesa and Tempe.
At the meeting, Judge Phillips had
plainly intimated his intention to
break the deadlock by voting for Bow-
en. It was then that an adjournment
was advised by the Tempe people who
also suggested that since Mr. Orme
would not abandon his support of
Bowen and that Mr. Hoghe would not
abandon Moer, attention should be
given to a dark horse.

But the Mesa people clung to the
idea that the office belonged to that
community by virtue of the election
of Mr. Hunsaker and as their candi-
date had the pledged support of a ma-
jority of the election board there was
no room for a dark horse.

Accordingly the business yesterday
was disposed of quickly and harmoni-
ously; the name of Mr. Moer was not
mentioned. Mr. Orme again nomi-
nated Mr. Bowen and the nomination
was seconded by Mr. Hoghe. Mr.
Bowen received a unanimous vote.

HIGH SCHOOL BOND BUYERS WANT THEIR MONEY BACK

A Demand is Made For the Return
of Their Check.

Nothing was done yesterday in the
matter of the high school bonds which
the attorneys of the purchasers, the
Wm. R. Compton Bond and Mortgage
company has pronounced invalid for
the bonding of high school districts
for any purpose. It was said yesterday
that Assistant District Attorney Ly-
man would probably advise the board
in the matter today.

tional bank through which the opinion
